SETTING YOUR BUSINESS UP FOR SUCCESS

GRCA works to bring the necessary tools and resources to the table to help companies locate or grow their business.

Financing

Pennsylvania Industrial Development Authority (PIDA) provides low-interest loans for eligible businesses and is directly administered by Greater Berks Development Fund, an affiliate of GRCA. Different industry sectors may access PIDA financing for land and building acquisition, construction and renovation costs, machinery and equipment purchases and working capital.

Pennsylvania Loan Catalyst Fund

Pennsylvania Catalyst Loan Fund features fixed interest rates below prevailing bank interest rates. Loans will typically range from \$50,000 to \$500,000. The revolving loan funds must be matched by private funding.

Zones

Greater Reading Keystone Innovation Zone (KIZ) Tax Credit Program enables young (less than 8 years) companies to grow. The KIZ Tax Credits are used to offset certain tax liabilities and to accelerate the growth of technology-based companies. The tax credit provides up to \$100,000 annually to eligible companies.

Greater Reading Enterprise Zone Tax Credit is a state designation to address deteriorated, distressed, and blighted industrial and manufacturing areas. The municipalities that comprise the Enterprise Zone include Bern Township, City of Reading, Cumru Township, Exeter Township, Muhlenberg Township, and Ontelaunee Township.
