

Family Business Peer Group Pathway

Growing Berks businesses with Berks Family Business Alliance & The High Center

MY GOAL IS TO GROW FROM SMALL/MED. TO LARGE!

It's just me and I need an outside perspective.

Our next generation is ready to learn leadership skills.

Our family is ready to put practices in place for the future.

MY BUSINESS HAS GROWN & I'M READY FOR THE NEXT STEP!

My business is experiencing complexities through growth.

I'm ready to work on my business instead of *in* my business.

We are forming a leadership team.
